TERMS AND CONDITIONS

1. The rate contract E-Tender sale is conducted by **M/s. MURRAY & CO.,** hereinafter known as the AUCTIONEER, under instructions from and on behalf of **M/s Delphi-TVS Technologies Ltd., Plant III, Plot No. B-16, SIPCOT Industrial Park, Vaipur, Oragadam Post, Mannur Unit,Kancheepuram Dist-602 105** hereinafter known as the COMPANY.
2. **Important Note :: VACCINATED person only allowed to entering into the factory & copy of the Vaccinated Certificate should be shown at the time of entering into the factory for inspection of materials & also for lifting materials** Prospective tenderers should inspect the materials before tendering their offers,since no complaint regarding the quality, description, etc. will be entertained once the tender is submitted. All materials are offered for sale in “as is where is” basis and the principal of Caveat Emptor will apply. Inspection can be had on **12-09-2025 from 10.00 a.m. to 12.30 pm. & 1.30 p.m. to 3.30 p.m** at **M/s. Delphi-TVS Technologies Ltd., Plant III, Plot No. B-16, SIPCOT Industrial Park, Vaipur, Oragadam Post, & Mannur Koot Road,Thodukkadu PO, Kancheepuram District, Tamilnadu – 602 105.**
3. All quantities are approximate estimated arising, calculated based on the past data and projected production/ maintenance plans. The accumulation however may vary depending on the actual production/ maintenance during the contract period. The purchasers shall clear the entire accumulation irrespective of the quantity, during the contract period. The COMPANY or the AUCTIONEER do not provide any assurances regarding the quantity but the entire accumulation in the respective lot(s) will be available to the purchaser for clearance.
4. Offers should be submitted only through MURRAY'S Online Auction Portal www.murrays.in. All parties desirous of submitting their online tender offers should register themselves on the said portal by going through the two stage registration process, providing the necessary documents and charges. No party would be able to take part in the sale without prior registration on the said portal.
5. Registered parties can take part in the sale and submit offers for any of the lots, subject to **remitting the necessary Lot Deposit indicated hereinunder through NEFT/RTGS to MURRAY & CO.,.**Parties should shortlist lots, assign deposits for the same and make their offers from the Bidding Room.
6. Parties can submit their offers from **10:00 a.m. onwards and closing time at 5:00 p.m. on 15th September 2025.** All offers must be placed before **5:00 p.m. on 15th September 2025.** There will be no time extension and the lots will automatically close at **5:00 p.m. on 15th September 2025.** All tenderers are advised to submit their offers well before the end time.
7. All times indicated are only as per the server clock on the portal and no party shall be entitled to raise objections that they were not able to place their offers based on any other clock. It is suggested that all parties place their offers well before the end time.
8. The offers should be made only per unit indicated against each lot (per kg./ per No. etc). The offer should be only for the basic rate and exclusive of all duties and taxes. Offers once submitted cannot be withdrawn. While submitting their offers parties must take care to ensure that their offer is only the basic rate, exclusive of taxes and duties per unit of measurement (Kgs or Nos as the case may be). Before recording the offer, the system will prompt the party to check and confirm submission of their offer. By submitting their offers, parties indicate their acceptance to all the terms and conditions of sale, both the general conditions and any specific conditions for the lots, if any.
9. The tenderers shall keep their offers open till a decision on the same is taken by the COMPANY. Normally, decision on the offers will be taken within **fifteen working days from the end date.** If any tenderer chooses to withdraw his offer prior to finalization, the tender deposit will stand forfeited to Delphi-TVS Technologies Limited.
10. The COMPANY reserves the right to accept or reject any tender without assigning any reasons, to negotiate with any of the tenderers for improved rates and to award parallel contract to more than one party. In the case of a parallel contract, the parties will be allotted a time frame (first fortnight/ second fortnight) during which all the scrap arising in the lot should be cleared by them.
11. The tenderers whose offers are accepted by the COMPANY shall be the purchasers. The rates quoted by the purchasers and accepted by the COMPANY shall remain firm for entire duration of the contract.
12. The lot deposit paid by the purchaser will be retained as security deposit. The security deposit amount will not be adjusted towards the cost of the materials and will be returned after expiry of the contract period without interest, unless the security deposit is forfeited to the COMPANY, due to any default by the purchaser under these presents, during the contract period.

13. The quantity declared is only an approximate estimate of the arising anticipated for the contract period. The COMPANY reserves the right to amend the quantities at any time during the contract period. Such amendments if any, will supersede the allotment made.
14. The purchaser shall periodically check with the COMPANY regarding accumulation of scrap materials allotted to him. The COMPANY or the AUCTIONEERS may also intimate the purchaser as and when they are required to clear the materials. The purchaser shall within 5 days from the date of receipt of the intimation or by the date stipulated in the Sale Order, arrange to pay the sale value together with taxes & levies at **Delphi-TVS Technologies Ltd., payable at Chennai**. Information conveyed to the representative of the purchaser over the telephone or in writing to the address given, shall be deemed as intimation given to the purchaser and no claim for non-receipt of sale order or otherwise shall be accepted as a reason for non-payment within the stipulated time. If the purchaser delays in making payment within the stipulated time, the COMPANY may at its discretion permit extension of time for payment, subject to the purchaser paying penal interest at the rate of 1% on value, per day of default along with the value and all levies.
15. In addition to the balance sale value, GST, the purchaser shall also pay TCS at the applicable rate as provided under Sec.206 C of the Income Tax Act.
16. Invoices will be raised by the COMPANY only in the name given in the tender form. Under no circumstances will requests for raising invoices in favor of parties other than the tenderer be considered.
17. **The rates of GST & TCS indicated, are applicable as on date. GST & TCS as applicable at the time of delivery shall be payable extra, along with the sale value. including changes to GST system, shall be borne by the purchaser. The purchaser shall not be entitled to claim rebate or relief on the basic price, in the event of any changes in government taxes or levies.**
18. The materials paid for as per the clauses above should be removed from the factory premises at; the purchaser's own cost within 7 days from the date of intimation or within the date stipulated in the sale advice. If the purchaser fails to remove the materials within the time specified, the COMPANY may permit extension of time to clear the materials, subject to the purchaser paying ground rent at the rate of 1% on value, per day of default.
19. The purchaser shall arrange for workmen at his own cost for loading the scrap materials on to the lorries. All tools required for loading such as shovels etc shall be brought by the purchaser. The vehicle should report for clearance before 8 a.m. and loading should be completed before 3 p.m. The purchaser, his workmen and transporters shall observe the rules and regulations of the COMPANY in regard to entry or exit from the COMPANY, safety, etc., All loadmen & labourers should wear only formals (Pant & shirt), safety shoes and gloves while entering the factory and working inside the factory. No Jean pants allowed. The purchaser shall provide all personal protective and safety equipments to the labourers engaged by him and shall not be entitled to claim the same from the COMPANY. The driver of the vehicle should have a valid license and the vehicle should have a valid PU certificate which has to be shown at the time of entering the factory premises. It is the responsibility of the purchaser to ensure that there is no spillage of materials within and outside the factory. Any such unavoidable spillage must be cleaned & the place kept tidy before leaving the factory.
20. In case of any of the scrap materials need to be gas-cut before loading on to the vehicle, the purchaser shall obtain prior permission for the same from the COMPANY. All safety regulations of the COMPANY are to be adhered to while cutting the materials. All materials required for cutting and loading should be brought by the purchaser, after obtaining prior permission for the same
21. The purchaser shall clear the entire accumulations of scrap as and when instructed by Delphi-TVS Technologies Limited, irrespective of the quantity. The COMPANY does not assure full lorry/ van loads of material at any point in time and the purchaser shall not be entitled to decline/ delay taking delivery on account of sufficient accumulation not being available.
22. The purchaser shall periodically pay for and clear the entire accumulation of scrap allotted to him. Failure on the part of the purchaser to pay for and remove the materials as provided in the Clauses above, will result in the forfeiture of the SD, cancellation of the sale and the COMPANY may dispose the materials in any manner they may choose to, at the risk and expense of the defaulting purchaser. The defaulting purchaser will be liable for the loss, if any, incurred from such resale but shall not be entitled to profits, if any from such re-sale.
23. The contract is liable to be terminated without notice in the event of any purchaser's workmen removing or attempting to remove any scrap materials other than those allotted to him or any scrap materials not covered by the contract or removing or attempting to remove any materials covered by the contract in excess of the quantity paid for.
24. The COMPANY will not be liable for any accident or injury to any of the purchaser's workmen or transport while in the COMPANY premises.
25. Purchaser's workmen and transport shall observe the rules and regulations of the COMPANY in regard to entry or exit from the COMPANY, safety, etc.,
26. The labourers of the purchaser representing him for clearance must possess Workmen compensation, ESI & PF, for the contract period. The relevant papers should be produced at the factory at the time of every clearance.
27. Scrap materials shall be deemed to be sold by the COMPANY and purchased by the purchaser under the contract once the amounts have been remitted to **Delphi-TVS Technologies Ltd., Oragadam & Mannur**. Materials once sold to the purchaser under this contract, if not removed at once shall be lying in the Company's

premises at the risk of the purchaser and the COMPANY shall not be liable for any damage or loss by fire, floods, weather or theft etc.,

28. The purchaser will be held liable for damages or loss caused to the Company's building, property, materials or men by the purchasers' workmen or transport whether directly or indirectly.

29. The decision of the COMPANY will be final and binding in all matters.

30. For other Conditions contact MURRAY & CO., No.234, V M Street, Mylapore, Chennai-4.

31. IMPORTANT NOTE

The Purchaser should obey & follow the below mentioned safety pre-cautions at the time of entering the Factory premises for physical inspection/placing their vehicle for delivery, due to COVID 19.
